We are Seeking Host Churches for our *Motorcycle Rider & Safety Course!*

We are currently looking for Church Partners to help host our (future) *Motorcycle Rider & Safety Course*. We need a decent-sized parking lot to set up our cones to practice driving the motorcycles and practice safety protocols. This would be a 2-day commitment and would take place during the week (8a-5p, M-F), so as not to interfere with your church programs.

Would your church be willing to host by allowing us to set up and use your parking lot for one (or more) of our monthly courses? (Please Check) Yes _____ No _____

Would your church be willing to donate motorcycles for our use? Yes _____ No _____

On behalf of C.A.R., I want to thank you for your Gospel work in and for the Kingdom of God and for being Ambassadors of Christ where he has planted you. I pray this will be the beginning of a fruitful partnership to serve Christ in and around our community, and across the Greater Tulsa Metroplex. *May He bless you and keep you, and His face shine upon you!*
